

This publication was prepared in response to a large number of requests for a current directory of nonpublic schools and their administrators. The listings were compiled from information submitted to the Education Department in connection with the Basic Educational Data System (BEDS).

Also listed, in a separate section at the end of the Directory, are schools operated by State or other public agencies including Office of Mental Health, Office of Mental Retardation and Developmental Disabilities, Department of Correctional Services, Office of Children and Family Services, City University of New York and the State Education Department.

Schools are listed by county of location in alphabetical order. All schools in the listing which include grades 9, 10, 11 or 12 are registered by the New York State Education Department with the exception of those noted as non-registered (NR) or registration-pending (RP). Definitions for registered high schools and those noted NR or RP appear below.

Registered High School - A registered high school is a high school which has been admitted to The University of the State of New York. A registered high school is authorized to issue Regents high school diplomas and may administer Regents examinations.

Nonregistered High School (NR) - A non-registered high school is a high school which has not applied for admission into The University of the State of New York. A non-registered high school is not authorized to issue diplomas and may not administer Regents examinations.

High Schools with Registration Pending (RP) - High schools with this notation have made application for admission into The University of the State of New York but have not yet completed the process. These high schools have all the privileges of registered high schools including the right to award diplomas and to administer Regents examinations until the registration process has been completed. These privileges are granted administratively for a specified period of time.

Corrections to this directory should be submitted in writing to the New York State Education Department, Office of Information and Reporting Services, Room 863 EBA, Albany, New York 12234 or via [sedref@mail.nysed.gov](mailto:sedref@mail.nysed.gov).
